RE: Tennessee Wastewater Systems, Inc.'s Petition to Amend Certificate of
Public Convenience and Necessity to Provide Wastewater Utility Services
(Docket No. 05-00070 – Majestic Mountain Resort)

Dear Mrs. Standley:

Tennessee Wastewater Systems, Inc. provides the following information per your
request dated April 28, 2005

1. The estimated amount of contributed capital to Tennessee Wastewater
Systems once the system is transferred to TWS.

\$55,000

2. Will the system being constructed for Majestic Mountain Resort be
capable of serving more than the Majestic Mountain Resort? Will the
system be designed for expansion?

The system being constructed is only being built to serve the Majestic
Mountain Resort but the system can be expanded in the future.

3. An estimate of the maximum capacity of the system being installed in
the area requested.

2,000 Gallons Per Day

4. A "Letter of Intent" from the developer or other party responsible for construction of the system, indicating the intention to contract with TWS for the operation of the system, once construction is complete.

See Attached Letter

5. An estimated time frame for construction of the system, including the estimated date construction will begin and the date it is estimated to be complete.

After approvable is received, it is expected that it will take 60 days to complete.

If you have any further questions, or need additional information, please feel free to contact me

Sincerely,

Charles Pickney, Jr.
